

MISSION IMPOSSIBLE? IT WILL BE IF WE DON'T RECOGNIZE THAT KIDS ARE HEARING THE CALL TO MISSIONS!!

Many missionaries in the Church of the Nazarene today felt God speaking to them about serving in missions when they were just children. The Southern Florida District NMI Council wants to join your church family in encouraging our children to understand, acknowledge and respond to God's call on their lives even at this early age.

- Here are some MissionCall Steps to Follow:
- Use the resource below to comprise a card
 - Complete this card with the child's info
 - Send the card into **Children's MissionCall Director Trish Spear** at 22 Lawrence Lake Drive, Boynton Beach, FL 33436 or e-mail it to trishs@pompanonaz.org.
 - We will place this child on our MissionCall list, assign him/her a prayer partner and begin corresponding with and praying for him/her regularly.

I believe God is talking to me about possibly being a missionary when I grow up. I will do all that I can to prepare myself for the job God has planned for me. I promise to pray regularly and to make sure that my parents, pastor and teachers know that I want to be a kid serving God through missions in any way kid-possible starting NOW!
