MISSIONARY HEALTH CARE

- OVERVIEW:

- Everyone experiences illness or injury in their family. Our missionary family is often thousands of miles from home and surrounded by unfamiliar physicians. Think about the concerns, the uncertainty, and...the cost.
- Nazarene missionaries' health, and that of their families is vital to their ministries.
- Our churches can be a part of it.

Distinguished Service Award

The DSA is a tribute to church people who are living and for their service to the church. Although the DSA is given through NMI, it need not be given in the area of missions. A church may wish to honor anyone in the church for their efforts

Note: The DSA may only be given by a church or a group within the church. Individuals may not give this award.

The cost is \$100.00. Churches are encouraged to frame the DSA and make a public presentation to honor the recipient.

Memorial Roll

The Memorial Roll, established in 1919, is a way to honor deceased friends and loved ones. A certificate is issued in the name of the person memorialized and is often presented to a family member or displayed in the church. Churches or individuals may place as many names on the Memorial Roll as they desire, and those memorialized need not be members of the church. The Memorial Roll is a record of people who have been memorialized by gifts to the Medical Plan. It is kept in the General NMI Office and is a significant way to honor the deceased and may be presented by groups or Individuals.

Note: There is a special Certificate for Children!!

GIFTS FROM THE HEART

Gifts from the Heart (GFTH) is a facet of the NMI MHC designed to make giving to the NMI Missionary Health Care easy. “In Memory” and “In Honor” cards can be picked up at the GFTH display in your local church. (if your church does not have one, contact your Pastor) Available in both English and Spanish, these attractive cards are a great way to show someone you care while helping Nazarene missionaries at the same time.

To participate:

- 1) Choose your donation amount and make the check payable to “General Treasurer, Church of the Nazarene” Write “Gifts From the Heart” on the memo line of the check.
- 2) Enclose your check in the convenient remittance envelope and mail it.
- 3) Write a personal note in the space provided on the gift card and give it to the appropriate person (or mail it). That’s it! Your gift is on its way to your loved one and your donation is on its way to the Treasury Office to provide much needed health care for more than 750 missionaries around the world.

Missionary Health Care Offerings

Through plate offerings or Faith Promise giving, the whole church helps provide for the medical needs of Nazarene missionaries. Every church is encouraged to support NMI Missionary Health Care annually. Offerings for Missionary Health Care should be appropriately marked and mailed to Global Treasury Services (formerly the General Treasurer). All money given for the NMI Missionary Health Care is used directly for the missionaries' health care and qualifies as Ten Percent Giving credit.
